

JEWISH HISTORY *ההיסטוריה* IN A FLASH *היהודית* בהבזק

A brand new lecture/presentation supported by an attractive audio visual tool addressing the basics and context of 6000 years of Jewish history

WHAT THEY SAY

"Educationally sound, entertaining, fast moving, very well packaged, professional"
 (Educator)

"A great, fun annotated review of Jewish history with just the right dose of details"
 (Participant)

"Learned more Jewish history in 1 hour than all 4 years of high school"
 (Participant)

NO laborious, blurred & confusing dates

YES fascinating narrative of lineal descent, achievement and Divine Providence

Did Chanukah happen before Purim?

Did Rashi witness the Crusades?

Did Maimonides leave Spain due to the Inquisition?
