

GET INVOLVED ON MITZVAH DAY 2014 WITH ALEI TZION

Mitzvah Day is a global, annual day of social action which involves over 35,000 people giving their time to help others.

CLORE MANOR

Join us at Clore Manor care home to chat and bring some joy to the residents. Alei Tzion will be visiting between 3.00-4.30pm on Sunday 16th November and we invite all community members – adults, children and babies – to come along. If you'd like to join the group, please email dinaminsky@gmail.com.

AJEX PARADE

We are happy to support the AJEX parade, which honours all Jewish ex-servicemen and women. We will be meeting at 12.45pm at Hendon Central as a group from Alei Tzion to travel to watch the parade. The parade is at The Cenotaph, White Hall, London WC2 with a gathering of Marchers at 1.15pm and a service at 2.30pm.

CHARITY COLLECTION

In the lead up to Mitzvah Day, Alei Tzion and LSJS will be collecting toys for Camp Simcha (for children suffering with terminal illnesses), shoes for Step Up (for those in need in the UK and abroad) and glasses for Vision Aid (to help those in need in Africa). Boxes will be placed around the shul and we ask you to donate any items you have at home that would be much appreciated by the recipients of these charities.
