

Meet the Board!

Ben Tankel *Vice-Chair*

Ben helps Michelle with the running of the kehillah. He has been coming to AleI Tzion for more than five years and met his wife, Hadas, here. His aim for the year ahead is to grow the membership and to encourage everyone to actively participate in the kehillah in whatever way they can. During the week, Ben practises as a barrister.

Adam Katten *Financial Representative*

As Adam enters the second year of his term as FR at AleI Tzion, the kehillah's finances are in much better order than in the past. Outside of this role, Adam helps run a financial planning and investment management business and enjoys the company of his wife.

Martin Glasser *Gabbai*

Martin has been a gabbai of AleI Tzion since 5769. On Shabbat morning he can be found in the Hashkama minyan and then in the children's service with his gorgeous daughters, Azriella and Tsofia. A native of Glasgow, he is a doctor, currently conducting research into sleep apnoea and is married to Lucinda (who will probably kill him if he doesn't say that she is gorgeous as well.)

Leo Arkush *Gabbai*

Leo is about to start working as a junior doctor in Luton. He grew up in Elstree, went to City of London School and studied in Yeshivat Har Etzion (Gush) and UCL. He has been living in Hendon and part of AleI Tzion for three years and is married to Judith.

Jeremy Cohen *Chinuch*

Jeremy is London born and married to Alison, they have two children, Sofia and Natan. He also works for the London Board for Shechita. It's his second year on the Shul Board and he will be working with Ben to create more chinuch opportunities for everyone.

Ben Freedman *Chinuch*

Ben is a teacher at Immanuel College. As Chinuch Officer, he is looking forward to expanding the learning opportunities available through AleI Tzion.

Avi Gillis

Avi is a board member without portfolio which means he will be involved in several different projects and aspects of the Board's work throughout the year including the Whisky Tasting 2014! You may see Avi welcoming you into shul on a Shabbat morning, so remember to say hello! He is married to Charlotte and they have a 10-month old daughter, Jemima.

Aryeh Grossman

Aryeh is responsible for all shul communications including e-mails, Facebook, Twitter, press releases, advertising and the shul magazine. He's married to Shoshi and is a Jewish Studies Teacher at Yavneh College.

Stuart Izon
Welfare

Stuart is running hospitality and welfare within Alei Zion. He's focused on ensuring that Alei Zion is a warm community and hopes to be a friendly face to visitors to the shul. When not in shul, Stuart works as a business and IT consultant.

Robin Minsky
Membership

Robin is the Board Member for Membership. His main objectives for this year is to simplify the membership process and attract new members to Alei Zion. In his career he is an accountant for Tesco and in his personal life he enjoys supporting Arsenal football club.

Yolanda Rosalki
Events

Yolanda Rosalki is coordinating social events for Alei Zion this year. We're hoping to have a whole range of different activities so that there's something for everyone. Yolanda would love to hear if anyone has a particular idea they'd like to pursue or if you're willing to help put an event together. Please remember though that events only work if people turn up, so please do support us!
