CST TRAINING PROGRAMME

The training will teach you the essentials of security work, in a concentrated space of time. It is ideal for those who already participate in voluntary security but have minimal knowledge of what to actually do. The course lasts six hours and is spread over two sessions. It does not contain any physical element and upon completion, participants will become Security Support Officers affiliated to CST. Participants must be aged between 18 and 72.

We have arranged for a course to be run at Alei Tzion Synagogue on Thursdays 15th & 22nd September from 7.30 – 10.30pm. In order to participate in the course you must first complete the online registration form on CST's website at <https://cst.org.uk/courses/level-1-course-027-alei-tzion-sept-2016>

CRP REGISTRATION

Many people will already be thinking about applying for school places for September 2017 and will need to complete a Certificate of Religious Practice (CRP) form. In order to do this through Alei Tzion you will need to pre-register by clicking this [link](#). This will enable you to submit a token when you come to shul each Shabbat so that we will be able to verify your attendance when signing the forms.

If you have any further questions about the CRP procedure please email crp@aleitzion.co.uk and we will do our best to assist you.

- **Child's first name, last name and their date of birth (for each child)**

- **Parent information: Mother's name, Father's name, address, and one parent's email & mobile**
